

## RESEARCH ANALYST

---

### Job Description

Qcue seeks to hire a Research Analyst (RA) to support our pricing analytics and operations teams in Austin, Texas. Responsibilities will include data analysis, pricing review, and operational support. RA will work closely with senior management and provide quantitative analysis on a variety of projects regarding ticket pricing and revenue forecasting in the sports and entertainment industries.

### Responsibilities

- Identify, collect, and organize data for use in pricing projects
- Provide foundational analysis for pricing projects
- Review data daily to ensure its quality and integrity
- Assist in employing price modeling and forecasting algorithms
- Assist in overseeing that timelines and benchmarks are being met for our clients
- Work with partners and clients to ensure timely delivery of information
- Use proprietary software application to monitor client activity and fulfill a variety of operational tasks

### Required Skills

- Strong quantitative, research, and data analytic skills
- Ability to work independently and as part of a team
- Ability to manage time and pay close attention to detail
- Proficiency in Microsoft Office
- Knowledge of R statistical software
- Interest and knowledge in sports and entertainment industries

### Education/Experience Requirements

- Bachelor's degree in Economics, Statistics, Mathematics, Finance, or Engineering
- 1-3 years' work relevant work experience

### Application Submission

Interested candidates should submit a cover letter, résumé, and a school generated transcript to [jobs@qcue.com](mailto:jobs@qcue.com).

### About Qcue

*Qcue is reinventing the primary ticket marketplace with the world's only dynamic pricing engine for live entertainment events. Sports teams, concert promoters and venues use Qcue's patent-pending technology to set the right price at the right time and provide the best value for fans, from the date of on-sale to the date of the event. Customers and partners include the San Francisco Giants, the Washington Capitals, Major League Baseball Advanced Media, and Tickets.com.*

*Founded in 2007, Qcue is based in Austin, Texas. For more information on Qcue, visit [www.qcue.com](http://www.qcue.com).*
